

Unplug from connectors and fuze into a world of unparalleled top-quality sound you can take everywhere you go. The rugged, compact and IPX 7 water-proof design will make sure the CLUBZ 150 can sustain all your coffee spills and careless drops. You can stream wireless music for up to 8 hours continuously with a quick charge. The Dual Equalizer feature lets you tap into a delightful musical experience with enhanced bass! Not just that, with deep bass sound that delivers just the best, let's tune into some real music! The Dual connect feature lets you pair the CLUBZ 150 with another CLUBZ 150 for that added boost to your player! The Bluetooth Speaker also lets you connect to your voice assistants so you can check the weather, call a friend, listen to your favorite tracks. Let's get this party started!

#### Features

- ▶ IPX7 Waterproof
- ▶ Wireless Bluetooth Streaming
- ▶ Dual Equalizer
- ▶ Deep Bass Sound
- ▶ Portable Speaker
- ▶ Speakerphone
- ▶ Voice Assistant Integration
- ▶ Durable and Rugged Fabric

**Features and Benefits**

**IPX7 Waterproof**

From a drop in the pool to a spill on the speaker, the IPX7 waterproof technology ensures your device delivers uninterrupted beats always.

**Wireless Bluetooth Streaming**

Welcome to a truly hands-free experience. Connect to any Bluetooth device and get started. Make calls, connect to Google Now/Siri, get entertained and stay informed all without being tied down by wires.

**Dual Equalizer**

Treat yourself to an impactful musical experience with Dual EQ feature. Whether you're hosting a pool party or simply taking some 'me time' to listen to your favourite tracks. Enjoy enhanced bass by just pressing the Vol Up and Down simultaneously

**Deep Bass Sound**

The unbeatable sound quality of the Clubz 150 beams through no matter what you play! These speakers offer deep bass and precise notes so that you enjoy your playlist to the fullest

**Portable Speaker**

The lightweight device is perfect to carry with you on everywhere you go! Big on music, big on comfort.

**Speakerphone**

Connect your phone and enjoy hands-free calling! The inbuilt microphone will let conversations flow, simply and swiftly!

**Voice Assistant Integration**

With quick access to Google Assistant/Siri pushing the power button twice, we've taken the convenience of going wireless to a whole new level!

**Durable and Rugged Fabric**

The durable fabric material covering the device ensures that it is protected from dust, water and all your adventures.
