

GLIDE 500

Wireless On - Ear Headphones

Heavy on bass. Light on the head.

Slip-on and glide into the enhanced world of bass with zero discomfort. Enabled with Advanced Dynamic 32mm driver, the Infinity Glide 500 will make sure you hear the top and bottom notes in your playlist for their true sound. Not just that, activate the Dual Equaliser with a push of the button and treat yourself to that 'live at the concert' feel no matter where you are.

The light-weight, flexible design along with 20 hours battery life makes the Infinity Glide 500 so travel-friendly that it can fit into your back pocket, literally! Get through your day effortlessly with Handsfree calling, Google Now/Siri access simply by pushing the power button twice on the earcup. With a quick charging of 10 minutes get over 2 hours of play-time. You can enjoy uninterrupted music all day long. Also with a long battery life of 20 hours you can charge it and forget it for a week. The padded comfort cushion lets you enjoy music without the ache that comes with regular headphones. So what are you
