

ZIP 20 In-Ear Wired Headphones

Up the bass on your daily commute

Looking for a travel companion who will help you zip through the day? The wait is over. The Zip 20 is designed for the young, rad and cool; its tangle-free cable and one button remote make picking calls, listening to your favourite tracks and even packing it up really easy. The soft and comfortable earbuds ensure that you can listen to your music all day long and not feel any discomfort.

The Advanced Dynamic 10mm Driver is made to deliver crystal clear music that takes your listening experience to the next level. The Deep Bass sound offers you thumping beats that really make your playlist come alive. So what are you waiting for?
