

INFINITY OUTRIGGER® JR.

ALL-WEATHER LOUDSPEAKERS

What could be better than a day by the pool or on the boat? A day by the pool or on the boat with your favorite music. Infinity Outrigger® Jr. loudspeakers feature waterproof drivers, rugged polypropylene enclosures and noncorrosive fasteners, so they're ideal for outdoor and marine use. But these speakers aren't just tough – they deliver sound quality that's tough to match. With powerful, responsive woofers for rich, detailed lows, and dome tweeters for clear, distinct highs, Outrigger Jr. speakers are engineered to perform like the Infinity systems they are.

HIGHLIGHTS:

- **ACCURATE**—Two-way design for acclaimed Infinity sound
- **WEATHERPROOF**—Polypropylene enclosures with waterproof drivers
- **RUGGED**—Aluminum, brass and stainless-steel parts
- **VERSATILE**—May be mounted or placed vertically or horizontally
