

Bring acclaimed Infinity sound
to the great outdoors.

OUTDOOR

OUTRIGGER/OUTRIGGER JR.

OUTRIGGER AND OUTRIGGER JR.

INDOOR/OUTDOOR/MARINE LOUDSPEAKERS.

Infinity Outrigger outdoor loudspeakers are an excellent way to bring acclaimed Infinity sound to the great outdoors. Enjoying your favorite music by the pool or on the boat is easy, thanks to the Outriggers' weatherproof design. These are true two-way systems — all of the recorded detail and nuance of music is accurately reproduced. With waterproof drivers and rugged, inert-mineral-filled polypropylene enclosures, as well as noncorroding aluminum, brass and stainless-steel parts, the Outriggers are designed to handle the rigors of outdoor use for a long, long time. And they're versatile. You can position these speakers vertically or horizontally on a wall (using the included mounting bracket), shelf or table for any environment or application. Outrigger and Outrigger Jr. — get great Infinity sound, rain or shine, inside or out.

Great for marine use.
